For Immediate Release

Georgetown, Kentucky

The Georgetown/Scott County Revenue Commission (GSCRC) is announcing a One-Time Courtesy Penalty Waiver Program.

The intent of this program is to provide a one-time courtesy penalty waiver to newly registered Georgetown/Scott County business accounts that may not be fully aware of all applicable filing procedures and deadlines in the jurisdiction.

To promote the goal of being a business-friendly community, the GSCRC has been authorized by the GSCRC Board of Commissioners to implement a new policy whereby a qualified new account holder may request a waiver of the late penalty for failure to file, failure to pay or underpayment of taxes owed or for submitting a late return/form during the first year of operation in the jurisdiction.
